## WALLACE EMMONS NEW POLICEMAN

Town Council Receives and Accepts Resignation of Officer Stroup. Ex Army Man his Successor. Will Clean Streets. Other Business.

Town council met in adjourned session on Wednesday evening and in a short while disposed of a large amount of business the most important of which was the acceptance of Policeman Stroup's resignation and the election of Wallace Emmons in his place.

Mr. Stroup, who has been a member of the local police force for more than a year, has accepted a position with the Auburn Shale Brick Company. He has been employed there for several weeks, a substitute performing his work as police when he was unable to be on duty. The following were nominated to fill the vacancy caused by Mr. Stroup's resignation, Wallace Emmons, Charles O. Yohe and M. T. Cluck. The first ballot resulted Emmons 4, Yohe 3 and Cluck 1. A majority being necessary, another ballot was taken and resulted Emmons 5, Cluck 3.

Mr. Emmons has been a resident of Gettysburg for several years and in that time has made a large number of friends. He served an enlistment in the United States Army, is young and of fine physique and should make a most acceptable officer. For some time he was steward at the Elks' home and more recently has been employed at the federal building.

Mr. Tawney brought up the hack license question and the committee appointed to take up the matter reported that they would soon give a hearing at which all who wished could give their views on the matter.

It is the intention of council to make some adjustment which shall prove more satisfactory than the system of license which has been in vogue for some years.

The light committee reported favorably on the request of citizens of North Washington street and vicinity for a light midway between the railroad and the college campus gate and a tungsten bulb was ordered placed there.

A letter was received from Dr. W. A. Granville with reference to the condition of the bridge over the Tiber on North Washington street. He said that it was known to be unsafe and the water course inadequate, heavy rains always causing the water to back up in the college meadow. It was suggested that the present structure be replaced with a concrete bridge as wide on the west as on the east side. Should council agree to this the college will straighten the course of the Tiber. Other improvements to that part of the college property are also contemplated. The question was referred to the highway committee for a report and recommendation at the next regular meeting of council on May 7.

Mr. Codori brought to the attention of council the dusty condition of the streets of town and the highway committee was given authority to have them cleaned. A number of residents of York street volunteered their services on Wednesday and cleaned up a large section of that street, the street commissioner's teams then removing the dirt.

The tax duplicate was presented and ordered signed by the proper borough officials and turned over to Tax Collector Culp. The general tax amounts to \$7402.32 and the special tax to \$4421.93.

William Henry asked council for a concrete curb on the south side of Hanover street at the properties where Mr. Reaser and Mr. Henry expect to build residences and at other properties adjoining. The highway committee was given the matter for a report.

The highway committee reported favorably on Mr. King's request for permission to erect a portico in front of the Hotel Gettysburg. John H. Crowe, the architect for the improvements at the hotel, explained to council the contemplated change and the request was granted. The pillar on the west will be eleven and a half feet from the curb line and that was deemed sufficient for travel.

Action on the street paving ordinance was deferred to May 7.

The ordinance ordaining Fourth street extension was finally adopted and the highway committee authorized to open the crossing over the railroad.

## VERDICT OF \$750 AWARDED FOR FOOT

Colored Boy Gets Sum from Western Maryland for Accident at this Place in September. Many Gettysburg People Witnesses.

For injuries sustained at Gettysburg by her seven year old son, Andrew J. Bivans, on the evening of September 11 last, Mrs. Albert Bivans, colored, of Baltimore, was on Wednesday awarded a verdict of \$750 against the Western Maryland Railway Company.

The accident occurred at the local station at the time of the big colored excursion. Mr. Bivans who has since died, endeavored to board a moving train with the boy in one arm and some bundles in the other. By standing warned him not to attempt it but the man was evidently under the influence of liquor and did not heed their warnings.

As he attempted to board the train he was swung downward and the timely aid of Pius J. Krout, of Gettysburg, alone prevented the boy from being killed. As it was, the wheel went over the little fellow's foot mashing it so that amputation above the ankle was found necessary at the Baltimore hospital to which he was taken after preliminary treatment by Dr. H. M. Hartman, the company's physician at this place.

The following Gettysburg people were witnesses in the case which was tried in Baltimore, Dr. H. M. Hartman, Charles W. Myers, Charles H. Wilson, Pius J. Krout, Mrs. Rufus H. Bushman, Mrs. Frank Shriver, John C. Shealer, Jacob Frommeyer and Martin J. McSherry.

Charles S. Duncan, Esq., of this place, conducted the case for the railroad with Mr. Greenbaum, of the firm of Gaither and Greenbaum, of Baltimore. Elmer J. Jones and William C. Smith represented the plaintiff. They contended that the train was prematurely started and a strong appeal to the sympathies of the jurors was made. The verdict was a matter of much surprise to many who attended the trial.

## REBELS SLAY AN AMERICAN

### Shot in the Back While Walking Along Street.

## CONSUL'S APPEAL IN VAIN

Thomas Fountain, an Officer in the Federal Army, Hid Without Food or Water For 72 Hours.

El Paso, Tex., April 11.—An American newspaper man, who returned from Parral with 184 American and other foreign refugees from the battle swept district of Mexico, brought the news of the execution of Thomas Fountain, of Las Cruces, N. M., by the rebels.

Fountain was captain of a federal gun crew under the Mexican general, Pancho Villa.

When Villa retreated last Thursday Fountain concealed himself in a private residence. The occupants were ignorant that he had a guest in a part of the house seldom used.

The American was driven by thirst and hunger to reveal his presence on Sunday after seventy-two hours of self-imposed torture. He was armed with a revolver, but made no resistance.

On Monday he was compelled to show the rebels where he had secreted the missing parts of his rapid fire, was tried by court martial and condemned to death, apparently for having disabled the gun.

American residents made every effort to obtain a modification of the sentence, but without avail. Finally American Consul Letcher, at Chihuahua, sent to General Salazar what is believed to have been an appeal from Washington that his life be spared. In delivering the message to a messenger the consul remarked:

"This is the last resort."

In Mexico they have recourse to what is known as the "law of flight," under which a prisoner who has been condemned, but where there exists a doubt as to the legality of his sentence, is allowed his freedom within certain limits.

The prisoner knows that his fate is sealed. Even if he does not walk a step, from some unexpected quarter the fatal bullet will come, and the report will be made that he was shot while "in flight."

It was this in Fountain's case. He told the correspondent there was no hope, but strolled about the streets waiting for death.

When his body was brought in it contained four bullet wounds, made by shots fired from behind.

The young man's father was Colonel Albert Fountain, who, with another son, was shot by cattle rustlers in New Mexico fifteen years ago. Colonel Fountain was one of the most famous lawyers of the then territory and was noted in particular as a prosecutor.

**BEATTY FLIES TO COURT**  
 Aviator Astonishes People When He Goes to Pay Fine.

Mineola, N. Y., April 11.—For the first time in the history of automobilizing a driver answered to the charge of speeding after flying to court in an aeroplane.

George W. Beatty was arrested last week for running his motor car thirty-eight miles an hour. Beatty, with his mechanic, William Ames, and Marshall Reid, with Horton Hoover, his mechanic, came to the court house in their Wright biplanes and threw the panel of jurors into the greatest excitement by making many spirals above the court house and then landing directly in front of the door.

Reid was with Beatty when he was arrested, and both went before Justice Charles F. Weeks, to whom they said they had not any idea how fast they were going, as aeroplanes go so much faster than automobiles.

Justice Weeks fined Beatty \$10, which he smilingly paid. Beatty then invited the court to take a ten-minute aeroplane ride, but the justice declined with thanks.

The two aviators then returned to their hangars.

**CLARK GETS 6 IN WISCONSIN**  
 The Speaker Carried Eighth Congressional District.

Wausau, Wis., April 11.—Champ Clark delegates to the Democratic national convention carried the Eighth congressional district of Wisconsin according to the complete vote announced. This makes Clark's sure tally in Wisconsin six delegates.

**Denies Madero Bankrupted Mexico.**  
 Washington, April 11.—The Mexican ambassador publicly denied reports that the Madero administration had bankrupted Mexico, and that there is a deficit of \$5,000,000. On the authority of the minister of finance, the ambassador says there is \$22,500,000 in reserve in the treasury.

**Society Girl Shot Dead.**  
 Pasadena, Cal., April 11.—Miss Louise Kastenbine, twenty-eight years old, prominent in Pasadena society was found shot dead in her room. A revolver lay on the floor beside the body and the wound appeared to have been self-inflicted. Miss Kastenbine's mother discovered the body.

## TAFT TRIES TO AVERT STRIKE

### Suggests Commission at Conference With Railroads and Employes.

Washington, April 11.—The controversy between the eastern railroads and their locomotive engineers has reached an acute stage, where, it was learned, conferences have been held by President Taft and other government officials with officers of the railroads and of the Brotherhood of Locomotive Engineers.

It is understood that both sides have indicated that if the president or the interstate commerce commission were to appoint a commission, such as that which settled the anthracite strike a few years ago, both sides would be willing to abide by its decisions.

Thus far the suggestions for such a commission have been only tentative, but it is understood that the president is inclined to regard them with favor.

Neither the railroads nor the engineers appear to be willing to submit the controversy to the Erdman board. One argument advanced by the railroad officials in favor of a special commission is that the subject would receive the fullest publicity. They urge that they have treated the engineers fairly as to wages and hours and conditions of labor and that they cannot under present conditions increase wages.

The engineers' officials are understood to have expressed confidence that a commission of unprejudiced persons would agree that their demands were justified.

The strike vote is now being counted at headquarters of the engineers in New York, and the result will probably be announced in a day or two.

## POISONED PIE BRIDE ABSOLVED BY JURY

### Fail to Find True Bill Against Mrs. Hannah Culp.

Allentown, Pa., April 11.—The grand jury failed to find a true bill in the famous "poisoned pie" case, in which John Kulp accused his bride of six months, Hannah Culp, of having tried to murder him and his family by mixing ground glass and arsenic with the pastry she baked.

The charge was made in January and the young wife was sent to jail. Kulp's allegation was that on coming home one evening he felt hungry, and before going to bed, the rest having already retired, he ate a pie, it being one of two his wife had made that afternoon.

The first mouthful tasted wrong, and on examination he found it literally sprinkled with broken glass. The second pie was also glass-strewn, he said. The girl was in jail for several days before the case became public. Then she was quickly bailed out by her father and brothers.

It soon developed that there was a family feud between the Kulp and the Sneyds, the bride's family. Also that the Kulp's not only objected to the marriage, but made things unpleasant for the bride. She declared she had been criticised from the first day her husband had taken her to his home, not only by his immediate family, but by his other relatives as well.

Several members of the grand jury come from that section, and it is said were pretty well acquainted with all concerned in the case. Of their own volition, it is stated, they declared their disbelief in the guilt of the young woman, whose reputation among the neighbors for honesty is very high.

**CABINET MEN TAKE STUMP**  
 Nagel Hurries Into Missouri, While Fisher Goes to Nebraska.

Washington, April 11.—Two cabinet officers have been added to the forces working in the west for President Taft's re-nomination.

Secretary of Commerce and Labor Nagel went to his home state to help care for the political situation there.

Secretary of the Interior Fisher will leave Washington in a day or two for Nebraska, where he is to speak for two or three days.

In Missouri where Governor Hadley has been directing the Roosevelt campaign, the latter's managers claim a least 26 of the 36 national delegates with the possibility of securing 30.

The popular primary in Nebraska will be held April 19.

**H. N. GITT**  
 To the Democratic Voters of the Twentieth Congressional District.

Mr. Gitt, who is not an active candidate, has consented to accept the Democratic nomination for congress, if the voters of this district consider him the most logical candidate, and if nominated, will make an aggressive campaign to win.

Mr. Gitt is not only popular in his home town, Hanover, but in what is known as the Democratic belt as well, and is unquestionably the strongest nominee who can be placed on the Democratic ticket, for the further reason that he is also well known throughout the whole of York and Adams counties.

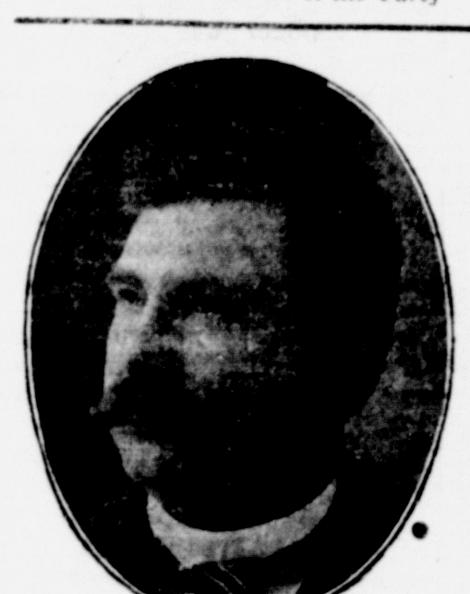

He has always been an active and earnest worker in the interests of Democracy and always anxious to bring about harmony in the party. If there be any Democrat, of whom there ought to be many, who can redeem this district, there can be no doubt that he is one of them. He is a man of affairs, with more general personal knowledge and experience of the agricultural, industrial and commercial interests of this district than any other one man and is undoubtedly well qualified to represent this important congressional district in the House of Congress.

In view of his exceptionally broad, wide and abundant experience on all matters pertaining to the vital issues of the day, his peculiarly fitted to represent the people of this district, especially the farmer, the mechanic, the working man and the merchant, in congress.

This congressional district for a number of years has been misrepresented in Congress by our present representative, a member of the party in the minority in the district. It is high time that this condition be changed and we believe that Mr. Gitt is the man who, if nominated, can and will bring victory to his party.

We, therefore, appeal to the Democratic voters of this, the 20th congressional district, to vote for Mr. Gitt on April 13th, for we earnestly believe that his nomination will insure the success of our party at the polls in November.

Yours very truly,  
 Committee of Democrats interested in the success of the Party

**"LAURENCE"** Heavy Weight Draught

**LAURENCE**—percheron stallion—one of the largest and finest of his class. He has been shown only four times and has four blue ribbons to his credit. He is a handsome steel dapple roan just 6 years old and weighs over 1,800 lbs., for style and beauty he cannot be surpassed. The size and make-up of this horse should appeal to all interested in general purpose horses.

**JAY PATCHEN**—Son of Jaybird 5000 sire of Ed. Winter 2:12 1/2, sire of Allen Winter 2:06 1/2, winner of the \$50,000.00 Trotting Derby at Keosauqua, Mass., on Aug. 25, 1908. He was the champion green trotter of 1908. In breeding JAY PATCHEN presents an array of blood lines, producing as it has some of the best performers in the pages of turf history. In the male line his family has produced such grand horses as LUCANDA 2:30, ALLEGRO 2:35 1/2, HAWTHORNE 2:06 1/2, CHARLEY HAYT 2:06 1/2, REDLAC 2:07 1/2, GENERAL FOREST 2:08, GAYTON 2:08 1/2, ALBERTON 2:09 1/2, MAXINE 2:08 1/2 and on and on, including over 500 better than 2:30.

**JAY PATCHEN** is also a first cousin of Dan Patch 1:56 1/2, holding World's racing Record. On Oct. 11, 1908, at Lexington Ky., Dan Patch paced the greatest mile of his life and only an accident prevented his having a record of 1:54. He paced the first quarter in 29 seconds, the second quarter in 27 1/2 seconds, being a 1:56 clip, was at the half in 57 1/2 seconds, a 1:58 clip, the third quarter in 29 seconds and was at the three-quarters in 1:25 1/2, and was finishing strong at the seven-eighths pole when the racer broke a blood vessel in his nostril and slackened up at once crowding him in towards the fence and forced him to slacken his tremendous stride of 22 feet, and yet Dan Patch finished the mile in 1:56 1/2, which the horse papers and all horsemen admit was the fastest and greatest performance of the world famous harness King, Jay Patchen a 2:10 trotter. A call to the farm to see his get will convince any one that he is a Style Beauty and Speed producer and a sure foal getter. Terms: \$2.00 cash and \$13.00 when colt stands on its feet or \$5.00 until close of the season June 15th.

### CANDIDATE FOR NATIONAL DELEGATE

To Democrats of the 20th Congressional District. I hereby announce  
my candidacy for delegate to the Democratic National Convention to  
meet in Baltimore, June 25, 1912.

Believing that a candidate in offering his name for the consideration  
of the voters should take the voters into his confidence and answer  
squarely where he stands on the important questions before them. I  
herby announce that I favor Woodrow Wilson for President, and as  
to the question, who is to be our National Committeeman, which ques-  
tion perhaps is second to none politically in Pennsylvania, I announce  
that I will vote for A. Mitchell Palmer, Congressman from the 26th  
Pa. District, for National Committeeman, the candidate of the Re-  
organization, as I believe that the best interests of the Democratic party  
in this state demands the retirement of Col. Guffy as well as any  
candidate he may name.

You will please notice that I am the only candidate in the field an-  
nouncing himself on this latter issue.

Thanking all for their support and influence, I am  
Yours truly

## ROOSEVELT IS WILDLY CHEERED

Immense Throng Welcome Him  
in Philadelphia.

### CAMPAIGN ACROSS STATE

Thousands of People Fairly Mobbed  
the Colonel at Every Place He  
Stopped.

Philadelphia, April 11.—The Union  
League clubs of New York and Phila-  
delphia, which have condemned the  
colonel's new doctrines of government  
and endorsed President Taft, were  
the subject for Colonel Roosevelt's  
opening attack in his Philadelphia  
speech before 5000 people in the Met-  
ropolitan Opera House. Fully 25,000  
stood in the streets cheering wildly.

The colonel applied a quotation from  
Lincoln condemning the "silk stock-  
ing whiggery" of his time for obstruct-  
ing the interests of the people to the  
two Union League clubs.

"It is treachery to the past for these  
two clubs to win their old age to rank  
themselves with the bosses against  
the plain people," said the colonel.

The colonel put Dr. Nicholas Mur-  
ray Butler in the class of this "em-  
battled attorneys" representing special  
privilege, including him, not by name,  
under the head "an embattled college  
president who was standing for the  
special interests just yesterday." The  
colonel's falsetto brought a big laugh  
from his audience.

The colonel's mere mention of Sen-  
ator Penrose was rewarded with a full  
minute of "boos" and "hisses."

When the colonel got to his recall of  
judicial decisions, he went further  
than he has yet gone in this state-  
ment:

"If the courts cannot be recalled to  
justice in this way, it'll come in the  
end to any means which may be ne-  
cessary to accomplish these ends."

"How about the Oglesby case?" asked  
a voice.

"In that case I wouldn't have rested  
until I'd driven those judges off the  
bench. There I do impugn the char-  
acter of the judges," replied the col-  
onel.

Later he made this remark: "I am  
the friend of the children and the chil-  
dren of the multi-millionaire, for I am  
trying to make this country a safe  
place for them to live in."

Reading a telegram that Maine had  
gone solid for him, the colonel shout-  
ed at top voice, closing his address:

"The fight is on; the line-up is clear  
between the bosses and the people.  
Maine and Illinois are solid, and I  
hope you will be on Saturday."

"Slugged 'Em Over the Ropes."

"We slugged 'em over the ropes,"  
was Colonel Roosevelt's comment on  
his Illinois primary victory. It was  
the keynote of the colonel's journey  
of triumph from one end of Pennsylv-  
ania to the other. He got an over-  
whelming ovation from Pittsburgh to  
Philadelphia from tremendous crowd-  
all along the line. Johnstown, Al-  
toona, Harrisburg, Lancaster, Coates-  
ville, all fairly mobbed him, with  
crowds that ranged from 10,000 to 25-  
000 and more.

Philadelphia had 400 police, a squad-  
ron mounted, at the Broad Street sta-  
tion to keep back the throng. A cheer-  
ing crowd filled the station. The  
crowd followed him along Broad  
street. Even from the Union League  
club the colonel got a wave of hats.

Greatly stirred by his sweeping Illi-  
nois primary victory and aroused to a  
pitch of energy and high enthusiasm  
by these remarkable ovations in Penn-  
sylvania, Colonel Roosevelt for the  
first time in his campaign publicly de-  
clared his confidence that he would  
win the nomination. He was in the  
Chester Street Market Hall in Har-  
risburg. The colonel said:

"If, as I believe, we will succeed in  
this fight I want you to remember that  
our success must be made to tell for  
social and industrial justice."

The colonel made thirteen speeches  
on his way to Philadelphia, in six  
congressional districts. At Johnstown  
the mill workers lined the streets to  
the Cambria theater. The banks, de-  
partment stores and shops poured out  
their people. Crowds scrambled after  
buttons, middle aged women debating  
with youngsters for them.

The crowds kept increasing in size  
from Johnstown on. Railroad men in  
the big yards at Harrisburg cheered  
him from locomotive and roundhouse.  
At Lancaster the Pennsylvania Dutch  
turned out to give the colonel the big-  
gest crowd of the day. He spoke from  
an old-fashioned hotel balcony.  
Delegation after delegation, numbers  
of them candidates for convention de-  
legates rode on the colonel's train.

### The State Convention Avoids "Instructions."

Rochester, N. Y., April 11. — After adopting a platform "urging" the four delegates-at-large to vote for the re-nomination of President Taft, but not binding them to his candidacy by "instructions," the Republican state convention completed its work by electing the "big four" and their alternates, and adjourned sine die.

The program, threshed out to its minutest detail in the committee on resolutions, went through without a hitch.

After the platform was read by the state chairman, William Barnes, Jr.,

Senator Root made an address denouncing any attack on the judicial system, and former Speaker James W. Wadsworth, Jr., and Job Hedges of New York, spoke for the platform as presented to the convention.

The only voice raised in protest was that of William A. Prendergast, the leader of the handful of Roosevelt delegates, who declared his belief that President Taft could not be re-elected.

The adoption of the platform followed by a viva voce vote.

The following delegates-at-large were elected: Senator Root, William Barnes, Jr., Edwin Merritt, Jr., William Berri. Alternates: Edgar T. Brackett, A. W. Brown, Charles W. Anderson and Charles W. Whitehead.

For Roosevelt National Delegate,  
WM. R. SCHMUCKER  
Of Adams County

## VOTE FOR TWO

# Roosevelt National Delegates

## DO NOT BE DECEIVED

IF YOU are a Republican who is more interested in his party than the success or failure of some candidate whom you may personally know, then vote for Wm. R. Schmucker and Dr. F. H. Beard for delegates to the National Republican convention, and Chas. F. Sanders and Wm. C. Licking as alternates. They are pledged to vote for Roosevelt and all issues arising which may effect his interests. Don't vote for any one who wants to go uninstructed, for such delegates are all lined up for Taft. If you are a Taft supporter then vote for the uninstructed delegates and openly line up with the men who have been and still are lined up with the giant Trusts.

The line-up here in Adams county is complete — the men standing out for Roosevelt and Reform are Schmucker and Beard; their names will appear on the ballots as supporting or favoring the nomination of Roosevelt. They are strongly in favor of nominating a man who can be elected without question. Messrs. Koser, of this county, and Hersh, of York county, are distinctively Taft supporters — lined up with the Ring to defeat the will of the Republican party; a vote for them means a vote against Roosevelt, the man who built up the great Republican organization to what it is to-day.

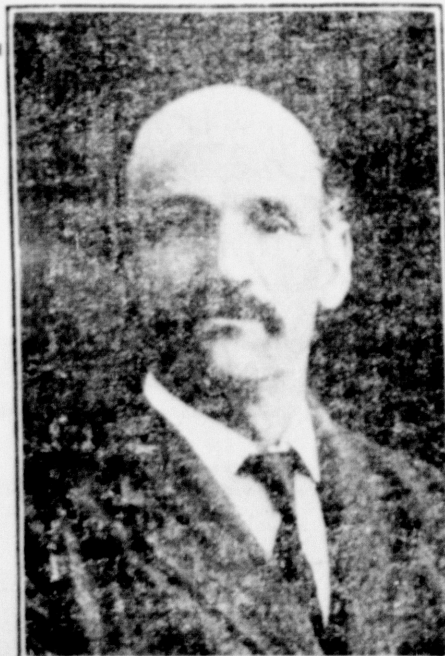

For Roosevelt National Delegate,  
DR. F. H. BEARD  
Of York County.

### The National Delegateship

THE candidates for Roosevelt National Delegates are men of unusual prominence — men who have served their party faithfully and well and never have been known to be any other than active Republicans.

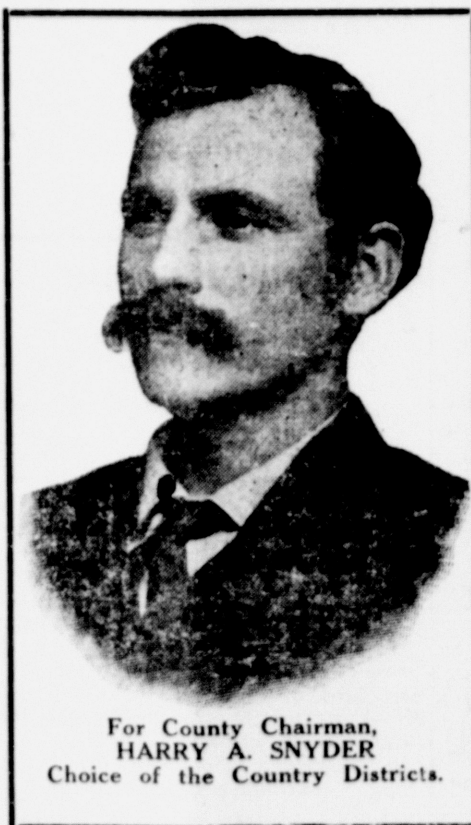

The issue is simply one of two opinions, viz: Whether Roosevelt will be a safer man to nominate than President Taft. The Common People, generally, are for the nomination of Colonel Roosevelt, but the Giant corporations are for Taft.

The question is now up to the Republican voters of Adams county as to whether they will remain with the common people or go over to the big corporations and support National Delegates who will vote for Taft and corporation measures. The Adams county Roosevelt candidate, Wm. R. Schmucker, is the Junior member of A. Schmucker and Son, one of the largest business houses in Littlestown; is a member of the Littlestown borough council and also a member of several secret orders of the town — one of our very foremost citizens of the borough; nothing can be said of him but of good report.

For Roosevelt National Delegate,  
HENRY MENGES  
Germany Township.

And the same can be said of Dr. F. H. Beard, of Hanover. He is a gentleman with a large practice and his standing is of the highest and best. Neither gentlemen are what might be termed politicians — they are simply good citizens lined up with the common people to do the best possible for their party.

For County Chairman,  
HARRY A. SNYDER  
Choice of the Country Districts.

YOUR vote for Harry A. Snyder will be strictly in line with what the county Democrats have been doing for years — electing a County Chairman from the country districts; it is an issue of the Country Districts vs. Gettysburg. Will you, as a country voter assist in defeating yourselves?

### The State Delegateship

THERE are TWO State Delegates to be elected. There are to be twelve National Delegates elected by the State convention, and all Adams countians favoring the selection of Theodore Roosevelt for President, should vote for Henry Menges, Germany township, and T. F. Wright, of Menallen township — two Republicans of active stripe, intent upon carrying out the principles of the Republican party. They are not in any way

tied up in any factional disputes with the Organization, but are interested solely in the selection of twelve Roosevelt delegates by the State Convention. Remember the names — Henry Menges and T. F. Wright. The other candidates are solely in the interest of Penrose and Taft, and do not deny the charge; if elected they will naturally line up with Penrose and Taft interests.

The Republican party of Adams county is heartily tired of the manner in which things political have been played and are now ready to line up for better government.

Roosevelt State Delegate  
T. F. WRIGHT  
Of Menallen Twp.
